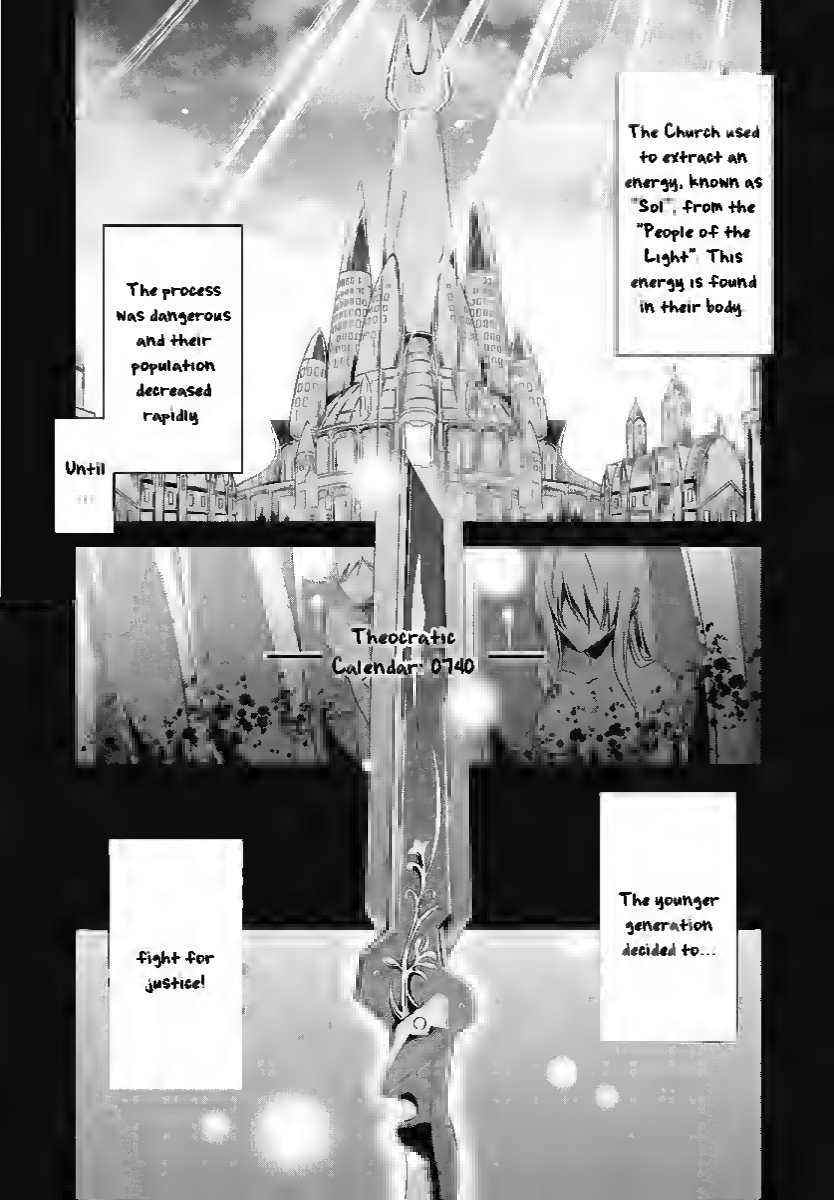
AND KILL THEM!
...EHH!!

Kaiserhald is a Utopia. God gives his powers to the Church.
The citizens happily serve God and the Church, but ...



The Church used to extract an energy, known as "Sol", from the "People of the Light". This energy is found in their body.
The process was dangerous and their population decreased rapidly.
Until ...
Theocratic Calendar: 0740
The younger generation decided to...
fight for justice!

And then
My dear citizens! I bring good news!
The terrorist group known as the Sol Triggers, recently attacked us on air
I am pleased to say that we have caught their leader and
I, SHITSU KOUKAN, SHALL PERSONALLY END HIS LIFE!!
OKAY FAPEL! I'M DONE HERE!
GUSTAF, HURRY UP! IT'S STARTING!

IT'S TIME TO FIGHT THE GODS!
IT ALL STARTS NOW ——!!
LET'S GO! IT'S TIME TO SAVE OUR FELLOW SOL TRIGGERS!!

WHAT ARE THE SOL TRIGGERS DOING HERE?
WE MUST SAVE OUR PEOPLE, THE PEOPLE OF THE LIGHT!
COMMENCE ATTACK!
To be continued

The scanlator's random scribbles
This 1 chapter Ch basically explains the prologue/opening of the DVD version. I think you might be able to find a subbed version on youtube or something. Anyway there's only another chapter (ch01) in Japan so far.
There's a free trial (adapted) version of this game on the official site. It's quite fun actually, if you can read Japanese, go go ahead. I kinda failed though >_< I suck at games
Oh forgot to say this is not mine. I'm not too sure about what I'm to write as a description of this story. Feel free to write your own.
